

# *The Sunday Afternoons*

Lynn Moffatt and Lindsay Cox formed The Sunday Afternoons in 2013 as a musical duo dedicated to performing folk, country, Celtic, gospel, and show tune classics for seniors. They perform with the objective to uplift and energize their audience with beautiful music.

With differing, yet complimentary voices and musical style, the acoustic duo evolved to perform music from an even wider array of genres and have a song list of over 400 cover songs to choose from. They are highly responsive to the musical desires of their audience and thoughtfully design custom set-lists for special occasions, birthday/theme parties, holidays, weddings, and wide array of private and public gatherings.
